

the TASMAN TANK CO.

DESIGN ■ FABRICATE ■ CONSTRUCT

The Tasman Tank Co has lead the way in the design, manufacture, installation and the service and maintenance of custom liquid storage solutions for over 16 years.

Our Service and Maintenance division have been market leaders for over 13 years in bringing cost effective solutions to the industry and our professional approach is second to none.

The Tasman Tank Co. operates out of our Glendenning manufacture centre in Sydney and is over 5000 sq metres under one roof. We fabricate our quality spare parts in-house, ensuring our solutions meet our client's customised needs.

Our range of services include

- All levels of tank maintenance
- Tank servicing
- Tank inspection
- Photographic and written reports
- Full tank refurbishment
- Tank replacement
- Stand-by tanks
- Code compliance service
- Extended service agreements

BEFORE TANK CLEAN

AFTER TANK CLEAN

Tasman Tanks Co offers inspection and service agreements to our valued clients that range from 1-5 years. This ensures code compliance and maximises asset life.

All our employees are

- ✓ Confined space trained
- ✓ Working at heights trained
- ✓ WHS&E competent and experienced
- ✓ Tank trained (The Tasman Way)

Insurances

- ✓ Public and Products Liability
- ✓ Workers Compensation
